Clarence Snyder originated these retreats to offer A.A.'s foundational 12 Steps for life-changing spiritual experiences. The program is designed for all, individuals and family members, who suffer from alcoholism and all forms of addiction, and who desire the essential spiritual tools needed to thrive. We share our experience, strength, and hope through our own stories of how we "came to believe" and recover.

We invite you to join us to connect with the source of spiritual and physical freedom, and to discover a new way of living.
